Epoxy Flooring Brisbane has been transforming new and old concrete floors into durable, high-performance surfaces for years.

We started our business, Epoxy Flooring Brisbane to add durability and spark to homes and businesses. Our clients are impressed with our epoxy flooring system which is gaining in popularity and versatility in Brisbane.

Selecting the right installer is important and our team at Epoxy Flooring Brisbane is meticulous in their preparation and application. Our combined experience in the flooring industry has seen us undertake jobs of all sizes and challenges. You can count on us to get the job done right.

When you contact Epoxy Flooring Brisbane, you can feel confident that we will find the right solution for your flooring needs. We are reliable and efficient, and deliver professional results every time.

Our food-safe flooring solutions can withstand harsh cleaning chemicals and solvents and is resistant to food byproducts such as fats, oils, and sugars that can damage the concrete or unsuitable coating.

We can help you choose between a long-lasting epoxy floor

coating or a hard-wearing polyurethane surface that is both durable and non-slip. Both are available in a number of colours and finishes and your floor coating won't peel or fade.

Epoxy Floor Surfacing Offers a Host of Advantages, Including

- Hard-wearing and holds up well against heavy traffic
- Resistant to chemicals and oils, making it ideal for commercial and industrial settings
- Easy to clean and requires little to no maintenance
